

ACTIVITY 5 – PREPARING FOR THE CONVENTION

OBJECTIVE:

To prepare for a National Political Party Convention.

MATERIALS:

- Kids Voting Convention Response Sheet
- Delegate Chart identifying the number of delegates/alternates for each high school

GET READY:

- Prepare the list of names of the delegates that will represent your school and their party affiliation.

INSTRUCTIONS:

- Select the number of delegates and alternates to the convention. We suggest the most defensible system would be the direct election of delegates from all those students who:
 1. Express an interest in becoming a delegate
 2. Are able to attend the national convention
 3. Express a willingness to work for their party and an eagerness to participate fully
